
Paroxysm

For flute, cello, and piano

Jon Fielder

Program Notes

I began working on *Paroxysm* in December 2017, shortly after I was diagnosed with bipolar disorder. I set out to write a piece that could capture the turmoil of my manic episodes with the oftentimes confusing clarity my diagnosis brought to the surface of who I am and how I interpret the world around me. In the piece, the piano acts as the primary protagonist - a sort of anti-hero - with the flute and cello acting as its psychological foil. The narrative unfolds in an organically developing series of dialogues, at times arguments, between the three voices. Ultimately, we find the piano working in tandem with the flute and cello, and while never in unison, the three work together to find unity and order through carefully controlled chaos.

Paroxysm is dedication with affection to all of my friends, family, colleagues, and doctors who have helped me grow and understand my mental illness. Their love and patience over the years helped me navigate who I am, and more importantly who I want to be. I am eternally grateful to all of you...and the medication!

Performance Notes

Below is a collection of abbreviations and symbols that are found throughout the piece.

ord.	ordinario bowing
s.p.	sul ponticello bowing
----- s.p.	Gradually move toward sul ponticello bowing
----- ord.	Gradually move toward ordinario bowing
	Quarter-tone flat (used for trill purposes)
	Quarter-tone sharp (used for trill purposes)
	Overpressure bowing (steady vs. gradually morphing in/out of overpressure)

Tempi should be adhered to as closely as possible, but sections may be taken slightly faster or slower if necessary

Dedicated to the friends, family, colleagues, doctors and medications
who have helped me navigate my life and diagnosis over the years

Paroxysm

Jon Fielder (b. 1986)

Maniacal, Gnarly, Exclamatory ($\text{♩} = \sim 76$)

for flute, cello, and piano

The musical score is arranged in three systems. The first system includes the Flute, Cello, and Piano parts. The Flute and Cello parts are mostly rests, with some notes in the final measure. The Piano part is highly active, featuring complex rhythmic patterns and dynamic markings: *mp*, *mf*, *f*, *mp*, *f*, *fp*, *ff*, *mp*, and *f*. Fingerings (3, 5, 6) and articulations (accents) are indicated. The second system features the Flute (Fl.) and Cello (Vc.) parts, both playing a short, intense phrase marked *violently* and *sfz*. The Piano part continues with complex patterns, including a 10:8 triplet and a 7:6 triplet, with dynamic markings *p* and *tr*. The third system shows the continuation of the Piano part with a 7:6 triplet and a *p* dynamic marking.
